

REACH Declaration

Version 3.0
Date: 18 January 2016

Product: Terluran®

Dear Customer,

This letter is in response to your request regarding the above product(s).

The above mentioned end products are compliant according to the REACH Regulation 1907/2006.

The vast majority of the components is supplied within Europe and therefore has to be registered by our suppliers or further up the supply chain.

The components we manufacture or import ourselves requiring pre-registrations / registrations by 1st December 2010 / 1st June 2013 have already been pre-registered / registered.

Styrolution will continue its registration obligations for the next registration deadline by 2018 and / or will take care that our raw material suppliers will respect their registration obligations.

The safety datasheets for our products have been updated to the REACH Annex II format.

Please note that polymers are exempted from the obligation to register under REACH, therefore a REACH registration no. cannot be provided or an eMSDS for our polymer products.
